Background

FEDAI vide email Ref:138/F-207/2026 dated 29 Apr 2026 has advised Authorized Dealers to frame appropriate internal guidelines to enhance transparency, efficiency, and customer service with regards to Cross Border Remittances.

Scope of the Policy

This policy outlines policy regarding following points for cross border remittances at IDFC FIRST Bank

- a. Documentation requirements for each type of transaction
- b. Detailed process flows, including approving authorities
- c. Schedule of charges applicable to different transactions
- d. Defined timelines for processing remittances
- e. Escalation matrix and grievance redressal mechanism

Policy Framework

The Bank offers a cross-border remittance facility to its customers through the following options:

A. For Retail Individual Customers

1. Inward Remittance
2. Outward Remittance
3. Digital Retail Inward Remittance

B. For Non- Individual Customers

1. Trade Remittance
2. Capital Account Remittance

A.For Retail Individual Customers

1. Inward Remittance

Key Information:

Stage	Process
Channel	• Branch: Yes • Digital: No

Customer Segment	- Resident Individuals - Non-Resident Individuals
Documents	- Disposal Instruction - Confirming the purpose of remittance, as per the RBI's FETER's list - Accepting FEMA declaration 10(5) & other T&C - Supporting documents may be required, depends on the purpose of remittance. - Purpose code wise document checklist is published in website & also, available with Bank's Branches and Central Operations Unit (Operations team)  Retail-Inward-Remittance-Documents-Ch Website Link: https://www.idfcfirst.bank.in/content/dam/idfcfirstbank/pdf/account-opening/Retail-Inward-Remittance-Documents-Checklist-v1.pdf - Disposal Instruction is not required if the beneficiary is NRI customer. - Additional information / supporting documents may be requested from customer on case-to-case basis for enhanced due diligence.

TRANSACTION FLOW

Stage	Process
Remittance Initiation	An inward remittance transaction is initiated by the remitter through an overseas bank by providing the requisite beneficiary and transaction details, including beneficiary name, account number, bank details, SWIFT/BIC, and remittance amount.
SWIFT Message (MT or MX)	The remitting bank transmits a SWIFT MT/MX message to IDFC FIRST Bank with the complete transaction details, including remitter, beneficiary, amount, and payment purpose information.
Receipt of Remittance	IDFC First bank receives the message and verifies transaction details, in accordance with the regulatory guidelines.
Matching of Remittance	Incoming SWIFT remittance messages are reconciled with the corresponding camt.053 Nostro statements. Upon successful matching, the remittances are assigned to the respective branches for necessary processing and disposal.
Unmatched / Unidentified Nostro Credit	Unmatched or unidentified Nostro credits (e.g., account number mismatch or incomplete beneficiary details) are manually reviewed and matched by the operations team and being assigned to the respective branch for further processing.

	Further, all remaining unmatched or unidentified Nostro credits are circulated to the respective branches for review, enabling them to identify and claim any transactions pertaining to their customers.
Advance notification to Customer	Upon receipt of the inward remittance, an SMS and email notification are sent to the beneficiary to the registered contact details.
Branch Actionable	For processing of inward remittance transactions, branches must upload the following documents against the respective Track ID and submit the case to the operations team: 1. Duly filled Disposal Instruction 2. Supporting documents as required for the applicable purpose code 3. Relevant approvals and supporting email correspondences, if any 4. Forex deal details/confirmation received from Treasury
Credit to Account	All inward remittance transactions are reviewed by the operations team. Funds are credited to the beneficiary's account only after completion of the requisite AML screening and verification checks.
Credit / Transaction Advice to Customer	Upon successful settlement of the funds, a Credit/Transaction Advice is triggered to the customer's registered email address.
Deduction	Post conversion of foreign currency into INR, GST on the foreign exchange conversion component shall be levied and recovered in accordance with the applicable GST regulations and slab rates. https://www.idfcfirst.bank.in/personal-banking/forex/retail-forex/slab-wise-structure
Charges / Processing Fees	The schedule of charges and processing fees applicable to inward remittance transactions is published on the Bank's website and may be accessed via the link provided below: https://www.idfcfirst.bank.in/nri-banking/remittance/send-money-to-india?utm_source=website&utm_medium=L1NRIMoneyTransfer&utm_campaign=MoneyToIndia No processing fees, no correspondent bank charges; Applicable currency conversion GST will be collected.
Processing Timelines	Inward remittance transactions are usually processed and settled within T+1 day of receipt, provided all requisite disposal instructions, supporting documents, and additional information, if any, are submitted by the beneficiary/customer in a timely manner.
Reporting & Compliance	Upon settlement of the transaction, the necessary reporting (CBWTR) is filed with the regulator as part of the prescribed FIU reporting obligations.

Return of Unprocessed Funds (Inward) lying in Nostro:

Unidentified, unprocessed, or unsettled Nostro credits that remain pending are eligible to be remitted back to the originating bank (Return of funds) upon completion of 10 days from the date of Nostro credit.

2. Outward Remittance
